## Programs

**Beginner's Kung Fu Class** - Starting at age 12, student's learn the basics of Kung Fu San Soo which include, stances, short forms, striking, escapes and strength training.

**Advanced Kung Fu Class** - Also open to beginners, the advanced class dives deeper into technique and the science of form and fighting.

**Open House** - We are always open thirty minutes before and after class times for practice time and questions about our school. I am available to answer questions and offer guidance. Also, a great time for new students or prospective students to tour our facility and learn about our art.
